Audio CDs are Now Available for the Following Programs:

Compliance & Reimbursement Strategies for the OMS Office

originally presented on August 30, 2006

Stacie L. Buck, RHLA, CCS-P, LHRM

This virtual seminar will provide a discussion of documenting medical necessity as well as common E/M documentation deficiencies and tips to correct them. The session will wrap up with how to identify audit “hot spots” and ways to implement an effective auditing and monitoring program to protect your practice from overpayments. **Code: AOM-11596**

Keys to Hiring and Maintaining Quality Staff

originally presented on May 17, 2006

Crystal Reeves, CPC, CMPE

This virtual seminar provides step-by-step guidance to develop an organization and build a staff that functions smoothly and efficiently. The practical tools and techniques discussed will prepare the participant to take a fresh look at staffing, hiring, training, and assessment. Participants will be better prepared to identify problems and develop solutions within their OMS Offices. **Code: AOM – 11595**

Electronic Transactions in the OMS Office: They're Easier Than You Think

originally presented on March 15, 2006

Alan H. Feldman

One of the first steps towards e-health, electronic transactions have grown beyond just claim submissions. This seminar will explore the many ways to utilize technology that will enable OMSs and their staff to make better use of their time and improve the overall efficiency of the office. Electronic Data Interchange (EDI), Electronic Funds Transfer (EFT), costs of implementing electronic transactions, Electronic Attachments, and HIPAA's National Provider Identifier (NPI) required by May 23, 2007 are discussed. **Code: AOM – 11530**
