## ALABAMA

### University of Alabama at Birmingham

Department of Oral and Maxillofacial Surgery SDB 419 1919 7th Avenue South  
Birmingham, AL 35294-0007  
Director/Contact: Dr. Patrick J. Louis  
Phone:  
Fax:  
E-mail: plouis@uab.edu

#### Description/Requirements:

The University of Alabama at Birmingham Department of Oral and Maxillofacial Surgery offers a one to four week externship program based primarily in the University of Alabama at Birmingham Oral and Maxillofacial Center in Birmingham, Alabama.

The objectives of the externship are to:

- 1) Provide the dental student with an interest in OMS residency and understanding of the broad scope of the specialty.
- 2) Provide the dental student experience in office-based dentoalveolar procedures.
- 3) Provide the dental student experience with hospital protocols.

Students selected for the externship may request one to four weeks of training. The student will be expected to participate on morning and evening rounds, attend courses and seminars for the residents, perform supervised patient care in the School of Dentistry clinic, assist in the care of hospital patients on the floors and in the operating rooms, and assist with trauma patients in the emergency department. Students will also be assigned a topic which they will give a short presentation to the faculty and residents.

The University of Alabama at Birmingham Oral and Maxillofacial surgery program is fully accredited by the American Dental Association. We accept 3 residents per year to our integrated MD-Certificate program. Facilities at UAB in which we currently provide care include University Hospital, the School of Dentistry, the Kirklin Hospital, Eye Foundation Hospital and Cooper Green County Hospital. We have 5 full-time faculty and numerous part-time faculty.

Interested students should send;

- 1) a curriculum vitae or resume.
- 2) letter recommending the student for the externship from a full-time faculty member or the Chair of Oral and Maxillofacial Surgery at the student's school.
- 3) a copy of the student's malpractice insurance (dental students are generally covered by their particular school's malpractice insurance= if this is the case, it must be indicated in the recommendation letter)
- 4) a dental school transcript, and
- 5) the results of Part 1 of the National Dental Boards (may be a photocopy of the official report)

Please send this material to:

Patrick J. Louis, DDS MD  
Associate Professor and Residency Program Director  
Department of Oral and Maxillofacial Surgery  
University of Alabama at Birmingham  
SDB 419  
1919 7th Ave South

Phone: (510) 437-4598  
Fax: (510) 437-5128  
E-mail: aholland@acmedctr.org

**Description/Requirements:**

Two to four weeks externships are available to third year or higher dental students. Externs function as an aid to oral and maxillofacial surgery residents. Assist in IVSA/GA clinics as scheduled; assist residents with drop-in-patients; pre-rounds in A.M. and P.M. with residents and staff.

Requirements: Applicants must send the following: (1) a letter from the Dean of his/her dental school; (2) one other faculty recommendation letter; (3) proof of malpractice insurance coverage while at Highland Hospital (minimum amount of acceptable coverage is \$1,000,000); (4) proof of health insurance which covers the student while at Highland Hospital; (5) current immunization record (must include PPD); (6) proof of HIPAA training (if not current, the extern may, on his/her first day in the Highland Hospital Clinic, complete a HIPAA information book we provide and complete the test on the information contained in this book). An application form must be completed and approved by the program director.

We do NOT provide housing or meals. Parking is available on campus at a charge. There is a cafeteria in the hospital where meals may be purchased.

Application Instructions: For an application, please contact the secretary of Oral and Maxillofacial Surgery, Angela Holland at (510) 437-4598, E-mail address: aholland@acmedctr.org

Phone: (312) 996-7494  
Fax: (312) 996-5987  
E-mail: mmeer@uic.edu

**Description/Requirements:**

UIC is offering one-week to one-month externship position in oral and maxillofacial surgery to qualified junior and senior dental students. Applicants must have completed at least one week's rotation in oral and maxillofacial surgery at their dental school. The program is designed to provide interested students with exposure to the diagnostic and clinical skills required of the oral and maxillofacial surgeon. It is an excellent opportunity for those interested in this specialty to gain experience and to find out if it is really the appropriate career choice for them.

The externship will be an intensive rotation during which the students will work in the outpatient at the University of Illinois in the city of Chicago. Externships will be available year-round. Applications must include CV, statement of purpose, dental school transcript, three (3) letters of recommendation, including one from the dean of your dental school, dean's letter indicating liability coverage by your dental school, dean's letter indicating that you have received infection control training, proof of health insurance coverage for the duration of the externship and proof of Hepatitis B immunization.

All information required from the Dean may be combined into a single letter.

Applications and supporting documents should be received at least one month prior to the anticipated/scheduled rotation. It is your responsibility to see to it that your application file is complete.

To obtain an application, please contact the Department Assistant or Dr. Meer at 312/996-7494.

Externs are responsible for making their own housing arrangements prior to beginning their externship.

Phone: (617) 726-8222  
Fax: (617) 726-2814  
E-mail: VWarren@partners.org

#### Description/Requirements:

Massachusetts General Hospital offers a one-month externship opportunity in the Department of Oral and Maxillofacial Surgery for interested third and fourth year students who would like additional exposure to the discipline and a chance to work in our Department. Located in downtown Boston, the MGH is a large level one trauma center. Our department offers exposure to the full scope of Oral and Maxillofacial Surgery for those contemplating pursuing this career. The extern will have the opportunity to work in our outpatient unit, attend major and day surgical operating room cases, be involved in multiple didactic conference in orthognathic surgery, pathology, pediatric oral and maxillofacial surgery and head and neck oncology. Trauma management and emergency room coverage is also a component of the month. The opportunity to rotate at the Children's Hospital will afford broad exposure to Pediatric Oral and Maxillofacial Surgery. Available end of April through August.

Must be a third or fourth year dental student from a United States or Canadian dental school with a serious interest in pursuing a career in Oral and Maxillofacial Surgery.

Phone: (919) 966-1126  
Fax: (919) 966-6019  
E-mail: Glenn\_Reside@dentistry.unc.edu

#### Description/Requirements:

This is a 2-4 week rotation in the Department of Oral and Maxillofacial Surgery for third and fourth year dental students interested in additional exposure to the full scope of OMS. During the rotation, the student will observe and participate in operating room and clinical procedures under the direction of the faculty and chief resident. The extern will attend all weekly conferences. It is expected that the extern will take call with the intern. Up to two externs per month will be accepted on a space available basis.

Requirements: The student must currently be in good standing in dental school. A letter of intent with available dates should be submitted. The UNC School of Dentistry application for visiting students must be filled out. Provide the following: two letters of recommendation, transcripts from dental school, letter of recommendation from academic dean, and proof of current malpractice coverage. Prior to arrival the student must provide documentation of current (within the past 2 years) Basic Life Support Training, and documentation of current (within the past 6 months) TB testing with both date placed and date read. Upon arrival and before engaging in direct patient care each visiting student must complete the UNC HIPPA training.

Application instructions: Applications may be obtained by emailing the Externship Director, downloaded from the department website (<http://www.uncoms.com>) or the OMS Department page on the UNC School of Dentistry website (<http://www.dent.unc.edu/depts/academic/oms>), or by calling 919-966-1126.

## Externship Open Positions

---

### University of Texas Southwestern Medical Center/Parkland Hospital

---

5323 Harry Hines Bl CS3 104  
Dallas, TX 75390-9109  
Director/Contact: Dr. Edward Ellis, III  
Phone: (214) 648-8963  
Fax: (214) 648-7620  
E-mail: Edward.Ellis@UTSouthwestern.edu

#### **Description/Requirements:**

The University of Texas Southwestern Medical Center's Division of Oral and Maxillofacial Surgery has an OMS extern program that is based out of Parkland Memorial Hospital. The experience is 2-4 weeks in duration and is open to dental students who wish to have an intense experience in clinical oral and maxillofacial surgery. It is preferred that students are in their third to fourth year of dental school so that they can be granted more clinical responsibilities.

Externs function almost like an intern by working in the clinic daily, making rounds, attending all of our conferences or seminars, scrubbing in the operating room occasionally, etc. Externs are supervised but have some independence, and work and spend long hours at the hospital.

Those dental students interested in this experience should send a written request for an application to Dr. Edward Ellis. All applications must be received by March 1st for those wishing to come in the summer months. Selections are made shortly thereafter.

Unfortunately, we cannot offer an externship to each applicant because of the many applications we receive. During the summer months, we limit the number of externs to four at a time. We will make every effort to accommodate as many as possible.

There is much less competition for externships in months other than the summer. For externships in the months of June, July, August and September, applications have to be completed by March 1.

We are not able to provide housing or malpractice insurance for the externs. If accepted, **YOU MUST SHOW PROOF OF MALPRACTICE INSURANCE PRIOR TO YOUR ARRIVAL FOR THE EXTERNSHIP.**

Please go to our website for the application form and other information:

[www.utsouthwestern.edu/oms](http://www.utsouthwestern.edu/oms)

**Description/Requirements:**

The department of Oral and Maxillofacial Surgery of the VCU/MCV School of Dentistry and Hospitals offers a two week/one month hospital-based extern program in oral and maxillofacial surgery. The program is designed for those highly motivated students who plan to make application to an oral and maxillofacial surgery residency and who seek more intensive exposure to the specialty beyond what is traditionally incorporated in undergraduate dental education.

Externs perform basic dentoalveolar surgery in the out patient clinic and assist resident house staff with the more advanced clinical procedures performed by oral and maxillofacial surgery specialists. Externs are also exposed to the full scope of oral and maxillofacial surgery including spending ample time in the operating room, as well as assisting the on-call resident with emergency room and ward care procedures. Participants make daily hospital rounds and attend all resident educational seminars and conferences. In addition, the extern is exposed to the practice of pain control, including outpatient general anesthesia as well as the techniques used for both conscious and deep sedation.

At the time of application the candidate must be a matriculated third year student at an ADA accredited school of dentistry. The student must have successfully completed all third year clinical requirements and be eligible to begin the fourth year of their dental education..

Interested students should submit a completed application, official dental school transcript, and two letters of recommendation. One letter should be from the Dean of the dental school certifying the student's class rank and cumulative GPA indicating that the candidate is making satisfactory progress in meeting your school's requirements towards graduation, and that he/she will be allowed to participate in our program.

Address all inquiries and request for applications to;
