

OMSNIC COVID-19 Resources

Since 1987, the OMS National Insurance Company (OMSNIC) has been the only medical professional liability insurance company with 100 percent specialization in oral and maxillofacial surgery.

To help OMSs during this difficult time, OMSNIC has provided COVID-19-related resources – including template forms for download, pandemic FAQs and more – at [OMSNIC.com](https://www.omsnic.com).

COVID-19 OMSNIC-provided forms

Available for immediate download:

- [COVID-19 Pandemic Dental Treatment Notice and Acknowledgment of Risk form](#)
- [COVID-19 Pandemic Dental Treatment Notice and Acknowledgment of Risk form \(Spanish version\)](#)
 - Please note, OMSNIC specifies these are not consent forms and further recommends you utilize these in conjunction with a procedure-specific consent form provided to your patients during the informed consent process.
 - For more information on the informed consent process, OMSNIC provides these Patient Safety Minute videos: [The Informed Consent Process](#) and [Informed Consent in the Treatment of Minors](#).
- [COVID-19 Pandemic Patient Disclosures form](#)
- [COVID-19 Pandemic Patient Disclosures form \(Spanish version\)](#)

COVID-19 Frequently Asked Questions (FAQs)

FAQs related to the pandemic are posted on [OMSNIC's website](https://www.omsnic.com). Some examples are:

- Will my policy cover teledentistry or virtual office visits?
- Am I covered if a patient alleges he or she contracted COVID-19 from my office?
- How is OMSNIC helping OMSs with premium relief?

For other questions you may have, your [local OMSNIC agent](#) is available to assist you.
