

2021 AAOMS ANNUAL MEETING PROGRAM-AT-A-GLANCE

THURSDAY, SEPT. 30

	Pathway 1	Pathway 2	Pathway 3	Other sessions			
7 a.m.	Dental Implant: Hot-off-the-press (GP1a)						
7:30 a.m.		Trauma Plenary: Craniomaxillofacial Trauma Management in the COVID-19 Era (GP2a)	Head & Neck Plenary: Oropharyngeal Cancer for the OMS (GP3a)	Practice management sessions (2 choices)	Pediatric Cleft Open Forum: Craniofacial Dysostosis Syndromes (SOF1)	BEAM simulation training (XSIM1A)	Breakfast & Learn
8 a.m.	Networking break in Exhibit Hall						
8:30 a.m.							
9 a.m.							
9:30 a.m.	Dental Implant Plenary: Technology can Optimize Time-efficient Patient Treatment (GP1b)						
10 a.m.		Networking break in Exhibit Hall					Breakfast & Learn
10:30 a.m.							
11 a.m.		Trauma: Hot-off-the-press (GP2b)	Head & Neck: Hot-off-the-press (GP3b)	Practice management sessions (2 choices)			
11:30 a.m.	Networking break in Exhibit Hall						Lunch & Learn
Noon		Pediatrics and Cleft: Hot-off-the-press (GP2c)	TMJ: Hot-off-the-press (GP3c)				
12:30 p.m.							
1 p.m.	Pathology Plenary: Contemporary Management of Odontogenic Cysts, Tumors and Related Syndromes (GP1c)						
1:30 p.m.		Networking break in Exhibit Hall					Lunch & Learn
2 p.m.					Poster Session and Reception	BEAM simulation training (XSIM1P)	
2:30 p.m.	Networking break in Exhibit Hall	Pediatrics and Cleft Plenary: Multidisciplinary Teams – How do you start and keep it going? (GP2d)	TMJ Plenary: Education of the OMS in TMJ Disease (GP3d)	Practice management sessions (2 choices)			
3 p.m.							
3:30 p.m.	Pathology: Hot-off-the-press (GP1d)						
4 p.m.							
4:30 p.m.	Networking in Exhibit Hall						Snack & Learn
5 p.m.					Industry Symposium		
5:30 p.m.							
6 p.m.						Industry Symposium	
6:45 p.m.							

Exhibit Hall open

FRIDAY, OCT. 1

	Pathway 1	Pathway 2	Pathway 3	Other sessions			
7 a.m.							
7:30 a.m.	Anesthesia: Hot-off-the-press (GP4a)						
8 a.m.		Reconstruction Plenary: Advanced Maxillofacial Reconstructive Techniques (GP5a)	OSA Plenary: What is Known and What is Unknown? (GP6a)	Practice management sessions (2 choices)	Research Open Forum (SOF2)	BEAM simulation training (XSIM2A)	Breakfast & Learn
8:30 a.m.	Networking break in Exhibit Hall						
9 a.m.							
9:30 a.m.							
10 a.m.	Anesthesia Plenary (GP4b)						
10:30 a.m.		Networking break in Exhibit Hall					Breakfast & Learn
11 a.m.		Reconstruction: Hot-off-the-press (GP5b)	OSA: Hot-off-the-press (GP6b)	Practice management sessions (2 choices)			
11:30 a.m.	Networking break in Exhibit Hall						Lunch & Learn
Noon		Cosmetic: Hot-off-the-press (GP5c)	Orthognathic: Hot-off-the-press (GP6c)				
12:30 p.m.							
1 p.m.	Dentoalveolar Plenary: Postoperative Pain Control (GP4c)				The Power of Mentorship in 2021 (SF2)	BEAM simulation training (XSIM2P)	Lunch & Learn
1:30 p.m.		Networking break in Exhibit Hall					
2 p.m.							
2:30 p.m.	Networking break in Exhibit Hall	Cosmetic Plenary: Perioral and Lower Facial Rejuvenation – Minimally invasive and surgical strategies (GP5d)	Orthognathic Plenary: Orthognathic Surgery – Best and worst case (GP6d)	Practice management sessions (2 choices)			Snack & Learn
3 p.m.							
3:30 p.m.	Dentoalveolar: Hot-off-the-press (GP4d)						
4 p.m.							
4:30 p.m.		Networking in Exhibit Hall					Snack & Learn
5 p.m.							
5:15 p.m.							

Exhibit Hall open

SATURDAY, OCT. 2

7 a.m.		MMA for OSA (SS01)	Digital Workflow (SS02)	Bone Grafting (SS03)			
7:30 a.m.	Wellness & Diversity Symposium (GS01)						
8 a.m.		Anesthesia for Medically Complex Patient (SS04)	Esthetic Zone (SS05)	3D Printing (SS06)			
8:30 a.m.							
9 a.m.							
9:30 a.m.	Networking break in Exhibit Hall						
10 a.m.							
10:30 a.m.	Chalmers Lyons Lecture: MRONJ (GS02)	Cricothyroidotomy (SS07)	Atrophic Ridges: Grafting/ Augmentation (SS08)	Keratocysts (SS09)	Practice management sessions (2 choices)	Disasters from the Masters: Dental Implants (SR1)	BEAM simulation training (XSIM3A)
11 a.m.							
11:30 a.m.	Leadership Development (SS10)	Cognitive Errors in Sedation (SS11)	Orbital Trauma (SS12)	Facial Cosmetic (SS13)			
Noon							
12:30 p.m.	Anesthesia Patient Safety Program (GS03)						

Exhibit Hall open

ON-DEMAND SESSIONS (available Sept. 27 to Dec. 31)

40 Master Classes	32 practice management sessions	4 on-demand abstracts	2 team-based sessions	1 How I Do It course
