

Course Overview

This two-day AAOMS Beyond the Basics Coding Workshop concentrates on different topics each day. Both days are necessary to achieve the maximum benefits this course has to offer. AAOMS encourages oral and maxillofacial surgeons to attend with their coding and billing staff.

Note: Participants must have a basic understanding of CDT, CPT and ICD-10-CM. Basic coding knowledge or completion of the AAOMS Basic Coding online course and AAOMS ICD-10-CM online course is suggested before participating in this intermediate-level, two-day coding workshop. Information regarding these online courses can be found at AAOMS.org/CodingBilling.

Attendees must bring their CPT, CDT and ICD-10-CM coding books. This is a hands-on workshop, and books are not sold onsite.

Continuing Education Provider Approval

The American Association of Oral and Maxillofacial Surgeons is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The American Association of Oral and Maxillofacial Surgeons designates this activity for 13 continuing education credits.

Learning Objectives

At the conclusion of this presentation, participants should be able to:

1. Explain key healthcare reimbursement issues, the Correct Coding Initiative (CCI), the Health Insurance Portability and Accountability Act (HIPAA), an overview of health reform, fraud and abuse.
2. Achieve compliance through appropriate documentation for services provided (e.g., use of E/M guidelines).
3. Follow guidelines for coding anesthesia, applying associated modifiers and other coding trends.
4. Analyze clinical case studies to code OMS-specific procedures, such as fractures and biopsies.
5. Describe the relationship of coding to third-party reimbursement.
6. Understand managed care contracting and how to conduct/respond to a health plan audit.
7. Gain an understanding of state insurance laws, such as prompt payment and degree of provider.
8. Understand insurance exchange products, embedded dental plans and quality improvement programs.

Beyond the Basics Coding Workshop Schedule (Days one and two)

7:30 – 8 a.m. Registration and Continental Breakfast	Noon – 1 p.m. Lunch provided by AAOMS
8 a.m. – 4 p.m. ... Beyond the Basics Coding Workshop	2 p.m. Question & Answer Session
10 a.m. Break	2:15 p.m. Break
	4 p.m. Adjourn

In addition to OMS-specific procedural coding, new content covers healthcare reform initiatives stemming from the Affordable Care Act, state insurance laws, reimbursement issues, audit tips, medical records documentation, managed care contracts tips, fraud and abuse, and more.

“I truly enjoyed the Beyond the Basics Coding Workshop presentation. I can better understand billing and coding in a medical and dental office setting. The instructor was thorough and gave great examples on how to help your practice succeed and help patients with insurance reimbursements.”

Cancellation Policy

Registration for the online courses is final. No refunds will be granted for online courses. AAOMS will allow only one 30-day extension of a registrant's access to an online coding course upon written request up to 10 days prior to expiration of the registrant's access. Requests for extension within 10 days of expiration or thereafter will require a \$100 reactivation fee. Once an extension is granted, the username and password will expire upon completion of the online course OR at the end of the 30-day extension period. This re-registration fee applies only to registrations made within the last year.

A \$75 cancellation fee will be applied if a written cancellation is received more than 14 days prior to a scheduled Beyond the Basics in-person workshop. However, the entire registration fee will be forfeited if a written cancellation is received less than 14 days in advance.

Please do not make hotel or travel reservations until you have received the email confirmation of your course registration from AAOMS.

Current ICD-10-CM, CPT and CDT coding manuals are required for all coding courses, except the online ICD-10-CM course in which only the ICD-10-CM coding manual is required. AAOMS does not provide them.

Instructor Dawn Jackson, DrPH, RHIA, CCS-P, FAHIMA, is a professor and program director for the undergraduate Health Services Administration Program at Eastern Kentucky University in Richmond, Ky.

She holds a bachelor's degree in Health Information Management, a master's degree in Allied Health Education and a doctoral degree in Health Services Management, and most recently attained fellowship status with the American Health Information Management Association (AHIMA). Dr. Jackson's areas of expertise include healthcare reimbursement systems, coding and billing processes, medical law and healthcare management. She is a certified coding specialist and has been presenting coding courses for AAOMS for nearly 20 years.

Disclosure: The speaker has nothing to disclose.

In-person Workshop Materials

The coding and billing syllabi closely follow the instructors' oral presentations and serve as handy references for the OMS practice and future training of new staff members. Audiovisual materials also reinforce the oral and written information. The custom coding workbook includes cases of various surgical coding problems faced by oral and maxillofacial surgeons and provides an opportunity to review the principles learned in the instructional portion of the course.

Please note: The coding workshops are hands-on workshops – be sure to bring your coding books, including current copies of ICD-10-CM, CPT and CDT with you to the Beyond the Basics Coding Workshop. Coding manuals also are required for participation in the online Basic and ICD-10-CM coding courses. The Basic course requires, CPT, CDT and ICD-10-CM coding manuals. The ICD-10-CM course requires only the ICD-10-CM coding manual.

Online Course Evaluations

AAOMS has instituted a new electronic course evaluation process. To obtain continuing education credits for these sessions, you must complete an online evaluation. Through the new online system, you can evaluate sessions and speakers, earn continuing education credits and instantly print your transcript. Additional information is provided inside your course packets.

In-person Workshop Hours

Check-in time for each day is from 7:30 to 8 a.m. Workshop hours are 8 a.m. to 4 p.m. Meeting rooms are often cooler than normal – please dress accordingly.

Housing Arrangements

Once open, housing arrangements for coding workshops held in conjunction with the AAOMS Annual Meeting can be completed online at AAOMS.org/AMhousing according to the directions in the Annual Meeting Advance Program or at AAOMS.org.

For all other AAOMS coding courses, blocks of rooms have been reserved by AAOMS at the host hotels. Telephone numbers for these hotels are listed in this brochure. Registrants must make housing reservations directly with the hotel and specify they are with the AAOMS coding workshops to receive the special room rate. Unless otherwise noted, overnight and/or day parking at host hotels is not included and/or validated in the room rate.

Note: Reservations for hotel and travel should not be made until after you have received an email registration confirmation from AAOMS.

If you will be charging your hotel expenses to a credit card other than your personal card (i.e., your practice credit card) and that cardholder will not be present at check-in, you must contact the hotel at least two weeks prior to your scheduled check-in date to arrange billing authorization.

Cancellation Policy

Registration for the online courses is final. No refunds will be granted for online courses. AAOMS will allow only one 30-day extension of a registrant's access to an online coding course upon written request up to 10 days prior to expiration of the registrant's access. Requests for extension within 10 days of expiration or thereafter will require a \$100 re-registration fee. Once an extension is granted, the username and password will expire upon completion of the online course OR at the end of the 30-day extension period. This re-registration fee applies only to registrations made within the last year.

A \$75 cancellation fee will be applied if a written cancellation is received more than 14 days prior to a scheduled Beyond the Basics in-person workshop. However, the entire registration fee will be forfeited if a written cancellation is received less than 14 days in advance.

Other Dental Professionals

The in-person Beyond the Basics Coding Workshop is limited to AAOMS members and their staff. However, when sponsored by an AAOMS member, dental professionals that are not affiliated with AAOMS may now register for any of our exclusive and convenient online coding courses! Contact AAOMS at 800-822-6637 or email yarmour@aaoms.org for more information.

AAOMS Allied Staff Member Registration

An allied staff member application must be on file at AAOMS in order to receive the allied staff member rate. If interested in receiving the allied staff member rate, please wait to register until your member application has been approved. For questions related to your membership status, please call the AAOMS Membership Department at 800-822-6637.
