

Virtual AAOMS Annual Meeting Gamification

Gamification is an opportunity to drive attendee engagement while motivating those attendees to participate in the most important ways with your booth and documents. Attendees will compete for prizes with the goal of activity and interaction increasing for exhibitors.

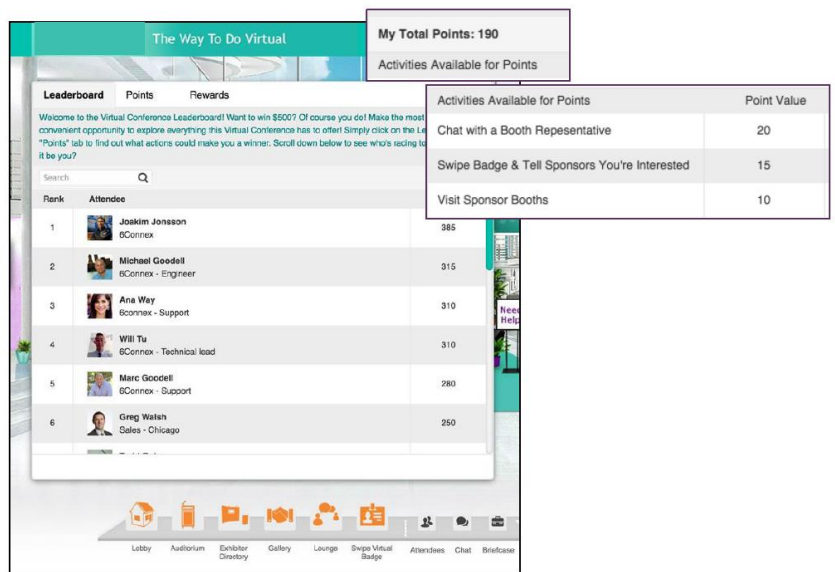

Attendees can:

- Measure where they rank among all attendees.
- View a list of points per activity so they know how to gain more points.
- See what rewards or prizes are available.

Exhibitors can:

- Have a point value assigned to visiting their booth.*
- Have a point value assigned to downloading a document in their booth.*

**Point values will be determined by AAOMS.*
