NOTE: Items 24 through 31, following, apply to each of the 10 available lines on the claim form for reporting dental procedures provided to the patient. **The remaining Items in this section of the form (33-35) do not repeat**.

24. Procedure Date (MM/DD/CCYY): Enter procedure date for actual services performed or leave blank if the claim is for preauthorization/predetermination. The date, if included, must have two digits for the month, two for the day, and four for the year.

    The presence or absence of a Procedure Date should be consistent with the type of transaction(s) marked in Item #1 (e.g., actual services; predetermination / preauthorization).

25. Area of Oral Cavity: **Use of this field is conditional**. Always report the area of the oral cavity when the procedure reported in Item #29 (Procedure Code) refers to a quadrant or arch and the area of the oral cavity is not uniquely defined by the procedure's nomenclature. For example:

    a. Report the applicable area of the oral cavity when the procedure code nomenclature includes a general reference to an arch or quadrant, such as **D4263 bone replacement graft – first site in quadrant**

    b. Do not report the applicable area of the oral cavity when the procedure either: 1) incorporates a specific area of the oral cavity in its nomenclature, such as **D5110 complete denture – maxillary**; or 2) does not relate to any portion of the oral cavity, such as **D9220 deep sedation/general anesthesia – first 30 minutes**.

Area of the oral cavity is designated by a two-digit code, selected from the following code list:

Code	Area
00	entire oral cavity
01	maxillary arch
02	mandibular arch
10	upper right quadrant
20	upper left quadrant
30	lower left quadrant
40	lower right quadrant

26. Tooth System: Enter "JP" when designating teeth using the ADA's Universal/National Tooth Designation System (1-32 for permanent dentition and A-T for primary dentition). Enter "JO" when using the International Standards Organization System. Additional information regarding the tooth numbering systems can be found in Sections 3 (Tooth Numbering) and 6 (Glossary) of this manual.

27. Tooth Number(s) or Letter(s): **Enter the appropriate tooth number or letter when the procedure directly involves a tooth or range of teeth. Otherwise, leave blank.**

    If the same procedure is performed on more than a single tooth on the same date of service, report each procedure and tooth involved on separate lines on the claim form.

    When a procedure involves a range of teeth, the range is reported in this field. This is done either with a hyphen "-" to separate the first and last tooth in the range (e.g., 1-4; 7-10; 22-27), or by the use of commas to separate individual tooth numbers or ranges (e.g., 1, 2, 4, 7-10; 3-5, 22-27).

    Supernumerary teeth in the **permanent** dentition are identified in the ADA's Universal/National Tooth Designation System ("JP") by the numbers 51 through 82, beginning with the area of the upper right third molar, following around the upper arch and continuing on the lower arch to the area of the lower right third molar (for example, supernumerary number 51 is adjacent to the upper right molar number 1; supernumerary number 82 is adjacent to the lower right third molar number 32). This enumeration is illustrated in the following chart:

    Upper Arch (commencing in the upper right quadrant and rotating counterclockwise)

Tooth #	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16

Supernumerary teeth in the **primary** dentition are identified by the placement of the letter "S" following the letter identifying the adjacent primary tooth (for example, supernumerary "AS" is adjacent to "A"; supernumerary "TS" is adjacent to "T"). This enumeration is illustrated in the following chart:

Super "#"	TS	SS	RS	QS	PS	OS	NS	MS	LS	KS

28. Tooth Surface: This Item is necessary when the procedure performed by tooth involves one or more tooth surfaces. Otherwise leave blank. The following single letter codes are used to identify surfaces:

Surface	Code
Buccal	B
Distal	D
Facial (or labial)	F
Incisal	I
Lingual	L
Mesial	M
Occlusal	O

Do not leave any spaces between surface designations in multiple surface restorations (e.g., MOD).

29. Procedure Code: Enter the appropriate procedure code found in the version of the *Code on Dental Procedures and Nomenclature* in effect on the "Procedure Date" (Item #24).

29a Diagnosis Code Pointer: Enter the letter(s) from Item 34 that identify the diagnosis code(s) applicable to the dental procedure. List the primary diagnosis pointer first.

29b Quantity: Enter the number of times (01-99) the procedure identified in Item 29 is delivered to the patient on the date of service shown in Item 24. The default value is "01."

30. Description: Provide a brief description of the service provided (e.g., abbreviation of the procedure code's nomenclature).

31. Fee: Report the dentist's full fee for the procedure. Resolution 44-2009 Statement on Reporting Fees on Dental Claims adopted by the ADA House of Delegates, as follows, provides guidance on the appropriate entry for this item.

Statement on Reporting Fees on Dental Claims

1. A full fee is the fee for a service that is set by the dentist, which reflects the costs of providing the procedure and the value of the dentist's professional judgment.

2. A contractual relationship does not change the dentist's full fee.

3. It is always appropriate to report the full fee for each service reported to a third-party payer.

(Note: Item 31 above is the last of the repeating 'service line' items.)

31a Other Fee(s): When other charges applicable to dental services provided must be reported, enter the amount here. Charges may include state tax and other charges imposed by regulatory bodies.

32. Total Fee: The sum of all fees from lines in Item #31, plus any fee(s) entered in Item #31a.

33. Missing Teeth Information: Mark an "X" on the number of the missing tooth – for identifying missing permanent dentition only. Report missing teeth when pertinent to Periodontal, Prosthodontic (fixed and removable), or Implant Services procedures on a particular claim.

34. Diagnosis Code List Qualifier: Enter the appropriate code to identify the diagnosis code source:

B = ICD-9-CM **AB** = ICD-10-CM (as of October 1, 2013)

This information is required when the diagnosis may have an impact on the adjudication of the claim in cases where specific dental procedures may minimize the risks associated with the connection between the patient's oral and systemic health conditions.

34a Diagnosis Code(s): Enter up to four applicable diagnosis codes after each letter (A. – D.). The primary diagnosis code is entered adjacent to the letter "A."

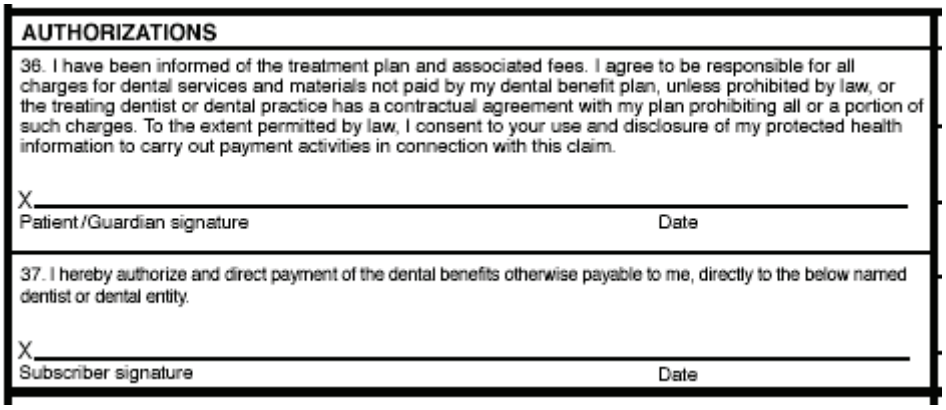
This information is required when the diagnosis may have an impact on the adjudication of the claim in cases where specific dental procedures may minimize the risks associated with the connection between the patient's oral and systemic health conditions.

35. Remarks: This space may be used to convey additional information for a procedure code that requires a report, or for multiple supernumerary teeth. It can also be used to convey additional information you believe is necessary for the payer to process the claim (e.g., for a secondary claim, the amount the primary carrier paid).

Remarks should be concise and pertinent to the claim submission. Claimants should note that an entry in "Remarks" may prompt review by a person as part of claim adjudication, which may affect overall time required to process the claim.

Authorizations

This section provides consent for treatment as well as permission for the payer to send any patient benefit available for procedures performed directly to the dentist or the dental business entity.



AUTHORIZATIONS

36. I have been informed of the treatment plan and associated fees. I agree to be responsible for all charges for dental services and materials not paid by my dental benefit plan, unless prohibited by law, or the treating dentist or dental practice has a contractual agreement with my plan prohibiting all or a portion of such charges. To the extent permitted by law, I consent to your use and disclosure of my protected health information to carry out payment activities in connection with this claim.

X_____
Patient/Guardian signature Date

37. I hereby authorize and direct payment of the dental benefits otherwise payable to me, directly to the below named dentist or dental entity.

X_____
Subscriber signature Date

36. Patient Consent: The patient is defined as an individual who has established a professional relationship with the dentist for the delivery of dental health care. For matters relating to communication of information and consent, the term includes the patient's parent, caretaker, guardian, or other individual as appropriate under state law and the circumstances of the case.

    By signing (or "Signature on File" notice) in this location of the claim form, the patient or patient's representative has agreed that he/she has been informed of the treatment plan, the costs of treatment and the release of any information necessary to carry out payment activities related to the claim.

    Claim forms prepared by the dentist's practice management software may insert "Signature on File" when applicable in this Item.

37. Authorize Direct Payment: The signature and date (or "Signature on File" notice) are required when the Policyholder/Subscriber named in Item #12 wishes to have benefits paid directly to the dentist/provider. This is an authorization of payment. It does not create a contractual relationship between the dentist or dental entity and the insurance company.

    Claim forms prepared by the dentist's practice management software may insert "Signature on File" when applicable in this Item.

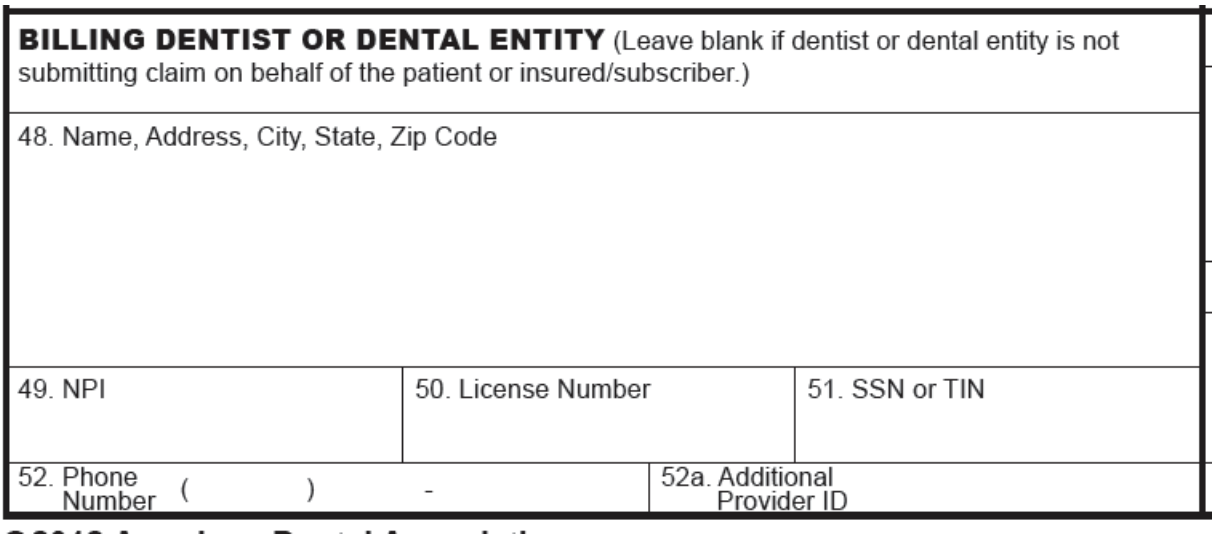
Billing Dentist Or Dental Entity

The ‘Billing Dentist’ or ‘Dental Entity’ section provides information on the individual dentist’s name, the name of the practitioner providing care within the scope of their state licensure, or the name of the group practice/corporation that is responsible for billing and other pertinent information. Depending on the business relationship of the practice and the treating dentist, the information provided in this section may not be the treating dentist. **If the patient is submitting the claim directly, do not complete Items 48-52A**.



BILLING DENTIST OR DENTAL ENTITY (Leave blank if dentist or dental entity is not submitting claim on behalf of the patient or insured/subscriber.)		
48. Name, Address, City, State, Zip Code		
49. NPI	50. License Number	51. SSN or TIN
52. Phone Number ( ) -	52a. Additional Provider ID	

48. Name, Address, City, State, Zip Code: Enter the name and complete address of a dentist or the dental entity (corporation, group, etc.).

49. NPI (National Provider Identifier): Enter the appropriate NPI type for the billing entity. A Type 2 NPI is entered when the claim is being submitted by an incorporated individual, group practice or

similar legally recognized entity. Unincorporated practices may enter the individual practitioners Type 1 NPI.

NOTE: The NPI is an identifier assigned by the Federal government to all providers considered to be HIPAA covered entities. Dentists who are not covered entities may elect to obtain an NPI at their discretion, or may be enumerated if required by a participating provider agreement with a third-party payer, or applicable state law/regulation.

An NPI is unique to an individual dentist or dental entity, and has no intrinsic meaning. There are two types of NPI available to dentists and dental practices:

Type 1 Individual Provider - All individual dentists are eligible to apply for Type 1 NPIs, regardless of whether they are covered by HIPAA.

Type 2 Organization Provider - A health care provider that is an organization, such as a group practice or corporation. Individual dentists who are incorporated may enumerate as Type 2 providers, in addition to being enumerated as a Type 1. All incorporated dental practices and group practices are eligible for enumeration as Type 2 providers.

On paper, there is no way to distinguish a type 1 from a type 2 in the absence of any associated data; they are identical in format. Additional information on NPI and enumeration can be obtained from the ADA's Internet Web Site: http://www.ada.org/goto/npi.

50. License Number: If the billing dentist is an individual, enter the dentist's license number. If a billing entity (e.g., corporation) is submitting the claim, leave blank.

51. SSN or TIN: Report the: 1) SSN or TIN if the billing dentist is unincorporated; 2) corporation TIN of the billing dentist or dental entity if the practice is incorporated; or 3) entity TIN when the billing entity is a group practice or clinic.

52. Phone Number: Enter the business phone number of the billing dentist or dental entity.

52A. Additional Provider ID: This is an identifier assigned to the billing dentist or dental entity other than a Social Security Number (SSN) or Tax Identification Number (TIN). It is not the provider's NPI.

The additional identifier is sometimes referred to as a Legacy Identifier (LID). LIDs may not be unique as they are assigned by different entities (e.g., third-party payer; federal government). Some Legacy IDs have an intrinsic meaning.

NOTICE: Any person who knowingly files a statement of claim containing any misrepresentation or any false, incomplete or misleading information may be guilty of a criminal act punishable under law and may be subject to civil penalties.

REFERS TO GOVERNMENT PROGRAMS ONLY

MEDICARE AND CHAMPUS PAYMENTS: A patient's signature requests that payment be made and authorizes release of any information necessary to process the claim and certifies that the information provided in Blocks 1 through 12 is true, accurate and complete. In the case of a Medicare claim, the patient's signature authorizes any entity to release to Medicare medical and nonmedical information, including employment status, and whether the person has employer group health insurance, liability, no-fault, worker's compensation or other insurance which is responsible to pay for the services for which the Medicare claim is made. See 42 CFR 411.24(a). If item 9 is completed, the patient's signature authorizes release of the information to the health plan or agency shown. In Medicare assigned or CHAMPUS participation cases, the physician agrees to accept the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary as the full charge, and the patient is responsible only for the deductible, coinsurance and noncovered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier or CHAMPUS fiscal intermediary if this is less than the charge submitted. CHAMPUS is not a health insurance program but makes payment for health benefits provided through certain affiliations with the Uniformed Services. Information on the patient's sponsor should be provided in those items captioned in "Insured"; i.e., items 1a, 4, 6, 7, 9, and 11.

BLACK LUNG AND FECA CLAIMS

The provider agrees to accept the amount paid by the Government as payment in full. See Black Lung and FECA instructions regarding required procedure and diagnosis coding systems.

SIGNATURE OF PHYSICIAN OR SUPPLIER (MEDICARE, CHAMPUS, FECA AND BLACK LUNG)

I certify that the services shown on this form were medically indicated and necessary for the health of the patient and were personally furnished by me or were furnished incident to my professional service by my employee under my immediate personal supervision, except as otherwise expressly permitted by Medicare or CHAMPUS regulations.

For services to be considered as "incident" to a physician's professional service, 1) they must be rendered under the physician's immediate personal supervision by his/her employee, 2) they must be an integral, although incidental part of a covered physician's service, 3) they must be of kinds commonly furnished in physician's offices, and 4) the services of nonphysicians must be included on the physician's bills.

For CHAMPUS claims, I further certify that I (or any employee) who rendered services am not an active duty member of the Uniformed Services or a civilian employee of the United States Government or a contract employee of the United States Government, either civilian or military (refer to 5 USC 5536). For Black Lung claims, I further certify that the services performed were for a Black Lung-related disorder.

No Part B Medicare benefits may be paid unless this form is received as required by existing law and regulations (42 CFR 424.32).

NOTICE: Any one who misrepresents or falsifies essential information to receive payment from Federal funds requested by this form may upon conviction be subject to fine and imprisonment under applicable Federal laws.

NOTICE TO PATIENT ABOUT THE COLLECTION AND USE OF MEDICARE, CHAMPUS, FECA, AND BLACK LUNG INFORMATION (PRIVACY ACT STATEMENT)

We are authorized by CMS, CHAMPUS and OWCP to ask you for information needed in the administration of the Medicare, CHAMPUS, FECA, and Black Lung programs. Authority to collect information is in section 205(a), 1862, 1872 and 1874 of the Social Security Act as amended. 42 CFR 411.24(a) and 424.5(a) (6), and 44 USC 3101;41 CFR 101 et seq and 10 USC 1079 and 1086; 5 USC 8101 et seq; and 30 USC 901 et seq; 38 USC 613; E.O. 9397.

The information we obtain to complete claims under these programs is used to identify you and to determine your eligibility. It is also used to decide if the services and supplies you received are covered by these programs and to insure that proper payment is made.

The information may also be given to other providers of services, carriers, intermediaries, medical review boards, health plans, and other organizations or Federal agencies, for the effective administration of Federal provisions that require other third parties payers to pay primary to Federal program, and as otherwise necessary to administer these programs. For example, it may be necessary to disclose information about the benefits you have used to a hospital or doctor. Additional disclosures are made through routine uses for information contained in systems of records.

FOR MEDICARE CLAIMS: See the notice modifying system No. 09-70-0501, titled, 'Carrier Medicare Claims Record,' published in the Federal Register, Vol. 55 No. 177, page 37549, Wed. Sept. 12, 1990, or as updated and republished.

FOR OWCP CLAIMS: Department of Labor, Privacy Act of 1974, "Republication of Notice of Systems of Records," Federal Register Vol. 55 No. 40, Wed Feb. 28, 1990, See ESA-5, ESA-6, ESA-12, ESA-13, ESA-30, or as updated and republished.

FOR CHAMPUS CLAIMS: PRINCIPLE PURPOSE(S): To evaluate eligibility for medical care provided by civilian sources and to issue payment upon establishment of eligibility and determination that the services/supplies received are authorized by law.

ROUTINE USE(S): Information from claims and related documents may be given to the Dept. of Veterans Affairs, the Dept. of Health and Human Services and/or the Dept. of Transportation consistent with their statutory administrative responsibilities under CHAMPUS/CHAMPVA; to the Dept. of Justice for representation of the Secretary of Defense in civil actions; to the Internal Revenue Service, private collection agencies, and consumer reporting agencies in connection with recoupment claims; and to Congressional Offices in response to inquiries made at the request of the person to whom a record pertains. Appropriate disclosures may be made to other federal, state, local, foreign government agencies, private business entities, and individual providers of care, on matters relating to entitlement, claims adjudication, fraud, program abuse, utilization review, quality assurance, peer review, program integrity, third-party liability, coordination of benefits, and civil and criminal litigation related to the operation of CHAMPUS.

DISCLOSURES: Voluntary; however, failure to provide information will result in delay in payment or may result in denial of claim. With the one exception discussed below, there are no penalties under these programs for refusing to supply information. However, failure to furnish information regarding the medical services rendered or the amount charged would prevent payment of claims under these programs. Failure to furnish any other information, such as name or claim number, would delay payment of the claim. Failure to provide medical information under FECA could be deemed an obstruction.

It is mandatory that you tell us if you know that another party is responsible for paying for your treatment. Section 1128B of the Social Security Act and 31 USC 3801-3812 provide penalties for withholding this information.

You should be aware that P.L. 100-503, the "Computer Matching and Privacy Protection Act of 1988", permits the government to verify information by way of computer matches.

MEDICAID PAYMENTS (PROVIDER CERTIFICATION)

I hereby agree to keep such records as are necessary to disclose fully the extent of services provided to individuals under the State's Title XIX plan and to furnish information regarding any payments claimed for providing such services as the State Agency or Dept. of Health and Human Services may request.

I further agree to accept, as payment in full, the amount paid by the Medicaid program for those claims submitted for payment under that program, with the exception of authorized deductible, coinsurance, co-payment or similar cost-sharing charge.

SIGNATURE OF PHYSICIAN (OR SUPPLIER): I certify that the services listed above were medically indicated and necessary to the health of this patient and were personally furnished by me or my employee under my personal direction.

NOTICE: This is to certify that the foregoing information is true, accurate and complete. I understand that payment and satisfaction of this claim will be from Federal and State funds, and that any false claims, statements, or documents, or concealment of a material fact, may be prosecuted under applicable Federal or State laws.

Form Instructions
Advance Beneficiary Notice of Noncoverage (ABN)
OMB Approval Number: 0938-0566

Overview

The ABN is a notice given to beneficiaries in Original Medicare to convey that Medicare is not likely to provide coverage in a specific case. "Notifiers" include physicians, providers (including institutional providers like outpatient hospitals), practitioners and suppliers paid under Part B (including independent laboratories), as well as hospice providers and religious non-medical health care institutions (RNHCIs) paid exclusively under Part A. They must complete the ABN as described below, and deliver the notice to affected beneficiaries or their representative before providing the items or services that are the subject of the notice. (Note that although Medicare inpatient hospitals and home health agencies (HHAs) use other approved notices for this purpose, skilled nursing facilities (SNFs) must use the revised ABN for Part B items and services.) Beginning March 1, 2009, the ABN-G and ABN-L will no longer be valid; and notifiers must begin using the revised Advance Beneficiary Notice of Noncoverage (CMS-R-131).

The ABN must be verbally reviewed with the beneficiary or his/her representative and any questions raised during that review must be answered before it is signed. The ABN must be delivered far enough in advance that the beneficiary or representative has time to consider the options and make an informed choice. Employees or subcontractors of the notifier may deliver the ABN. ABNs are never required in emergency or urgent care situations. Once all blanks are completed and the form is signed, a copy is given to the beneficiary or representative. In all cases, the notifier must retain the original notice on file.

ABN Changes

The ABN is a formal information collection subject to approval by the Executive Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (PRA). As part of this process, the notice is subject to public comment and re-approval every 3 years. The revised ABN included in this package incorporates: suggestions for changes made by notifiers over the past 3 years of use, refinements made to similar liability notices in the same period based on consumer testing and other means, as well as related Medicare policy changes and clarifications occurring in the same interval. We have made additional changes based on suggestions received during the recent public comment period.

This version of the ABN continues to combine the general ABN (ABN-G) and the laboratory ABN (ABN-L) into a single notice, with an identical OMB form number. As combined, however, the new notice will capture the overall improvements incorporated into the revised ABN while still permitting pre-printing of the lab-specific key information and denial reasons used in the current ABN-L.
Also, note that while previously the ABN was only required for denial reasons recognized under section 1879 of the Act, the revised version of the ABN may also be used to provide

voluntary notification of financial liability. Thus, this version of the ABN should eliminate any widespread need for the Notice of Exclusion from Medicare Benefits (NEMB) in voluntary notification situations.

Instructions for completion of the form are set forth below. Once the new ABN approval process is completed, CMS will issue detailed instructions on the use of the ABN in its on-line Medicare Claims Processing Manual, Publication 100-04, Chapter 30, §50. Related policy on billing and coding of claims, as well as coverage determinations, is found elsewhere in the CMS manual system or website (www.cms.hhs.gov).

Completing the Notice

OMB-approved ABNs are placed on the CMS website at: http://www.cms.gov/BNI . Notices placed on this site can be downloaded and should be used as is, as the ABN is a standardized OMB-approved notice. However, some allowance for customization of format is allowed as mentioned for those choosing to integrate the ABN into other automated business processes. In addition to the generic ABN, CMS will also provide alternate versions, including a version illustrating laboratory-specific use of the notice.

ABNs must be reproduced on a single page. The page may be either letter or legal-size, with additional space allowed for each blank needing completion when a legal-size page is used.

Sections and Blanks:
There are 10 blanks for completion in this notice, labeled from (A) through (J), with accompanying instructions for each blank below. We recommend that the labels for the blanks be removed before use. Blanks (A)-(F) and blank (H) may be completed prior to delivering the notice, as appropriate. Entries in the blanks may be typed or hand-written, but should be large enough (i.e., approximately 12-point font) to allow ease in reading. (Note that 10 point font can be used in blanks when detailed information must be given and is otherwise difficult to fit in the allowed space.) The Option Box, Blank (G), must be completed by the beneficiary or his/her representative. Blank (I) should be a cursive signature, with printed annotation if needed in order to be understood.

A. Header

Blanks A-C, the header of the notice, must be completed by the notifier prior to delivering the ABN.

Blank (A) Notifier(s): Notifiers must place their name, address, and telephone number (including TTY number when needed) at the top of the notice. This information may be incorporated into a notifier's logo at the top of the notice by typing, hand-writing, pre-printing, using a label or other means.

If the billing and notifying entities are not the same, the name of more than one entity may be given in the Header as long as it is specified in the Additional Information (H) section who should be contacted for questions.

Blank (B) Patient Name: Notifiers must enter the first and last name of the beneficiary receiving the notice, and a middle initial should also be used if there is one on the beneficiary's Medicare (HICN) card. The ABN will not be invalidated by a misspelling or missing initial, as long as the beneficiary or representative recognizes the name listed on the notice as that of the beneficiary.

Blank (C) Identification Number: Use of this field is optional. Notifiers may enter an identification number for the beneficiary that helps to link the notice with a related claim. The absence of an identification number does not invalidate the ABN. An internal filing number created by the notifier, such as a medical record number, may be used. Medicare numbers (HICNs) or Social Security numbers **must not** appear on the notice.

B. Body

Blank (D): The following descriptors may be used in the header of Blank (D):

- Item
- Service
- Laboratory test
- Test
- Procedure
- Care
- Equipment

- The notifier must list the specific items or services believed to be noncovered under the header of Blank (D).
- In the case of partial denials, notifiers must list in Blank (D) the excess component(s) of the item or service for which denial is expected.
- For repetitive or continuous noncovered care, notifiers must specify the frequency and/or duration of the item or service. See § 50.14.3 for additional information.
- General descriptions of specifically grouped supplies are permitted. For example, "wound care supplies" would be a sufficient description of a group of items used to provide this care. An itemized list of each supply is generally not required.
- When a reduction in service occurs**,** notifiers must provide enough additional information so that the beneficiary understands the nature of the reduction. For example, entering "wound care supplies decreased from weekly to monthly" would be appropriate to describe a decrease in frequency for this category of supplies; just writing "wound care supplies decreased" is insufficient.

Blank (E) Reason Medicare May Not Pay: In this blank, notifiers must explain, in beneficiary friendly language, why they believe the items or services described in Blank (D) may not be covered by Medicare. Three commonly used reasons for noncoverage are:

- "Medicare does not pay for this test for your condition."
- "Medicare does not pay for this test as often as this (denied as too frequent)."
- "Medicare does not pay for experimental or research use tests."

To be a valid ABN, there must be at least one reason applicable to each item or service listed in Blank (D). The same reason for noncoverage may be applied to multiple items in Blank (D).

Blank (F) Estimated Cost: Notifiers must complete Blank (F) to ensure the beneficiary has all available information to make an informed decision about whether or not to obtain potentially noncovered services.

Notifiers must make a good faith effort to insert a reasonable estimate for all of the items or services listed in Blank (D). In general, we would expect that the estimate should be within $100 or 25% of the actual costs, whichever is greater; however, an estimate that exceeds the actual cost substantially would generally still be acceptable, since the beneficiary would not be harmed if the actual costs were less than predicted. Thus, examples of acceptable estimates would include, but not be limited to, the following:

<u>For a service that costs $250</u>:

- Any dollar estimate equal to or greater than $150
- "Between $150-300"
- "No more than $500"

<u>For a service that costs $500:</u>

- Any dollar estimate equal to or greater than $375
- "Between $400-600"
- "No more than $700"

Multiple items or services that are routinely grouped can be bundled into a single cost estimate. For example, a single cost estimate can be given for a group of laboratory tests, such as a basic metabolic panel (BMP). Average daily cost estimates are also permissible for long term or complex projections. As noted above, providers may also pre-print a menu of items or services in Blank (D) and include a cost estimate alongside each item or service. If a situation involves the possibility of additional tests or procedures (such as in reflex testing), and the costs associated with such tests cannot be reasonably estimated by the notifier at the time of ABN delivery, the notifier may enter the initial cost estimate and indicate the possibility of further testing. Finally, if for some reason the notifier is unable to provide a good faith estimate of projected costs at the time of ABN delivery, the notifier may indicate in the cost estimate area that no cost estimate is available. We would not expect either of these last two scenarios to be routine or frequent practices, but the beneficiary would have the option of signing the ABN and accepting liability in these situations.

CMS will work with its contractors to ensure consistency when evaluating cost estimates and determining validity of the ABN in general. In addition, contractors will provide ongoing education to notifiers as needed to ensure proper notice delivery. Notifiers should contact the appropriate CMS regional office if they believe that a contractor inappropriately invalidated an ABN.

C. Options

Blank (G) Options: Blank (G) contains the following three options:

☐ **OPTION 1.** I want the (D) _____ listed above. You may ask to be paid now, but I also want Medicare billed for an official decision on payment, which is sent to me on a Medicare Summary Notice (MSN). I understand that if Medicare doesn't pay, I am responsible for payment, but **I can appeal to Medicare** by following the directions on the MSN. If Medicare does pay, you will refund any payments I made to you, less co-pays or deductibles.

This option allows the beneficiary to receive the items and/or services at issue and requires the notifier to submit a claim to Medicare. This will result in a payment decision that can be appealed. *See Ch. 30, §50.14.1 of the online Medicare Claims Processing Manual for instructions on the notifier's obligation to bill Medicare.*

Note: Beneficiaries who need to obtain an official Medicare decision in order to file a claim with a secondary insurance should choose Option 1.

☐ **OPTION 2.** I want the (D) _____ listed above, but do not bill Medicare. You may ask to be paid now as I am responsible for payment. **I cannot appeal if Medicare is not billed.**

This option allows the beneficiary to receive the noncovered items and/or services and pay for them out of pocket. No claim will be filed and Medicare will not be billed. Thus, there are no appeal rights associated with this option.

☐ **OPTION 3.** I don't want the (D) _____ listed above. I understand with this choice I am **not** responsible for payment, and **I cannot appeal to see if Medicare would pay.**

This option means the beneficiary does not want the care in question. By checking this box, the beneficiary understands that no additional care will be provided and thus, there are no appeal rights associated with this option.

The beneficiary or his or her representative must choose only one of the three options listed in Blank (G). Under no circumstances can the notifier decide for the beneficiary which of the 3 checkboxes to select. Pre-selection of an option by the notifier invalidates the notice. However, at the beneficiary's request, notifiers may enter the beneficiary's selection if he or

she is physically unable to do so. In such cases, notifiers must annotate the notice accordingly.

If there are multiple items or services listed in Blank (D) and the beneficiary wants to receive some, but not all of the items or services, the notifier can accommodate this request by using more than one ABN. The notifier can furnish an additional ABN listing the items/services the beneficiary wishes to receive with the corresponding option.

If the beneficiary cannot or will not make a choice, the notice should be annotated, for example: "beneficiary refused to choose an option".

D. Additional Information

Blank (H) Additional Information: Notifiers may use this space to provide additional clarification that they believe will be of use to beneficiaries. For example, notifiers may use this space to include:

- A statement advising the beneficiary to notify his or her provider about certain tests that were ordered, but not received;
- Information on other insurance coverage for beneficiaries, such as a Medigap policy, if applicable ;
- An additional dated witness signature; or
- Other necessary annotations.

Annotations will be assumed to have been made on the same date as that appearing in Blank J, accompanying the signature. If annotations are made on different dates, those dates should be part of the annotations.

E. Signature Box

Once the beneficiary reviews and understands the information contained in the ABN, the Signature Box is to be completed by the beneficiary (or representative). This box cannot be completed in advance of the rest of the notice.

Blank (I) Signature: The beneficiary (or representative) must sign the notice to indicate that he or she has received the notice and understands its contents. If a representative signs on behalf of a beneficiary, he or she should write out "representative" in parentheses after his or her signature. The representative's name should be clearly legible or noted in print.

Blank (J) Date: The beneficiary (or representative) must write the date he or she signed the ABN. If the beneficiary has physical difficulty with writing and requests assistance in completing this blank, the date may be inserted by the notifier.

Disclosure Statement: The disclosure statement in the footer of the notice is required to be included on the document.

1. **Meaning of Assignment:** For purposes of this agreement, accepting assignment of the Medicare Part B payment means requesting direct Part B payment from the Medicare program. INSTRUCTIONS FOR THE MEDICARE PARTICIPATING PHYSICIAN AND SUPPLIER AGREEMENT (CMS-460)

To sign a participation agreement is to agree to accept assignment for all covered services that you provide to Medicare patients.

WHY PARTICIPATE?

If you bill for physicians' professional services, services and supplies provided incident to physicians' professional services, outpatient physical and occupational therapy services, diagnostic tests, or radiology services, your Medicare fee schedule amounts are 5 percent higher if you participate. Also, providers receive direct and timely reimbursement from Medicare.

Regardless of the Medicare Part B services for which you are billing, participants have "one stop" billing for beneficiaries who have Medigap coverage not connected with their employment and who assign both their Medicare and Medigap payments to participants. After we have made payment, Medicare will send the claim on to the Medigap insurer for payment of all coinsurance and deductible amounts due under the Medigap policy. The Medigap insurer must pay the participant directly.

Currently, the large majority of physicians, practitioners and suppliers are billing under Medicare participation agreements.

WHEN THE DECISION TO PARTICIPATE CAN BE MADE:

- Toward the end of each calendar year, all MAC/carriers have an open enrollment period. The open enrollment period generally is from mid-November through December 31. During this period, providers who are currently enrolled in the Medicare Program can change their current participation status beginning the next calendar year on January 1. This is the only time these providers are given the opportunity to change their participation status. These providers should contact their MAC/carrier to learn where to send the agreement, and get the exact dates for the open enrollment period when the agreement will be accepted.
- New physicians, practitioners, and suppliers can sign the participation agreement and become a Medicare participant at the time of their enrollment into the Medicare Program. The participation agreement will become effective on the date of filing; i.e., the date the participant mails (post-mark date) the agreement to the carrier or delivers it to the carrier.

Contact your MAC/carrier to get the exact dates the participation agreement will be accepted, and to learn where to send the agreement.

WHAT TO DO DURING OPEN ENROLLMENT:

If you choose to be a participant:

- Do nothing if you are currently participating, or
- If you are not currently a Medicare participant, complete the blank agreement (CMS-460) and mail it (or a copy) to each carrier to which you submit Part B claims. (On the form show the name(s) and identification number(s) under which you bill.)

If you decide not to participate:

- Do nothing if you are currently not participating, or
- If you are currently a participant, write to each carrier to which you submit claims, advising of your termination effective the first day of the next calendar year. This written notice must be postmarked prior to the end of the current calendar year.

WHAT TO DO IF YOU'RE A NEW PHYSICIAN, PRACTITIONER OR SUPPLIER:

If you choose to be a participant:

- Complete the blank agreement (CMS-460) and submit it with your Medicare enrollment application to your MAC/carrier.
- If you have already enrolled in the Medicare program, you have 90 days from when you are enrolled to decide if you want to participate. If you decide to participate within this 90-day timeframe, complete the CMS-460 and send to your MAC/carrier.

If you decide not to participate:

- Do nothing. All new physicians, practitioners, and suppliers that are newly enrolled are automatically non-participating. You are not considered to be participating unless you submit the CMS-460 form to your MAC/carrier.

We hope you will decide to be a Medicare participant.

Please call the MAC/carrier in your jurisdiction if you have any questions or need further information on participation.

DO NOT SEND YOUR CMS-460 FORM TO CMS, SEND TO YOUR MAC/CARRIER. IF YOU SEND YOUR FORMS TO CMS, IT WILL DELAY PROCESSING OF YOUR CMS-460 FORMS.
