

AAOMS Volunteer Opportunities

Volunteering provides members the opportunity to learn more about AAOMS, to participate in Association priority objectives and to network. AAOMS encourages members to engage in short-term, long-term or project-specific volunteer opportunities. These opportunities may be in-person, remote or hybrid – and some require travel.

If you want to volunteer with a specific committee, please know that an opportunity may not be immediately available because some appointments are long-term or opportunities may require district representation or membership in the ADA or AMA.

Volunteer opportunities are available in the areas listed below. To confirm your interest to be an AAOMS volunteer, complete the Volunteer Interest Application and email it to governance@aaoms.org or fax it to 847-678-6286. Questions about volunteering also may be emailed to governance@aaoms.org.

AAOMS Connect Clinical Interest Group (CIG) or Special Interest Group (SIG)

AAOMS Connect is the Association's online networking platform found at community.AAOMS.org. Opportunities include serving as a content moderator or subject area expert.

Coding and Reimbursement

Opportunities include analyzing and providing guidance on medical and dental insurance coding and billing standards and policies.

Education

Opportunities include development of professional staff and member education.

Governmental Affairs

Opportunities include advocacy and grassroots initiatives (e.g., Day on the Hill).

House of Delegates Committees

Opportunities require AAOMS delegate status and include Association governance initiatives.

Membership

Opportunities include initiatives related to recruitment, onboarding, retention and engagement.

Mentorship

Opportunities include member to member mentorship and member to resident mentorship.

OMS Foundation

Opportunities include initiatives related to fundraising and the OMS Foundation Alliance.

Practice Management

Opportunities include supporting daily operations of OMS practices through development of education and resources for the entire practice team.

Public and Professional Communications

Opportunities include initiatives related to AAOMS.org, MyOMS.org, podcasts, Informational Campaign resources, products and OMS Foundation communications.

Research

Opportunities include development of education and resources in support of Clinical Trials Methods Course, CSIOMS and OMS Foundation research awards.

American Association of Oral and Maxillofacial Surgeons

Volunteer Interest Application

Thank you for your interest in volunteering. AAOMS will contact you using the information from your AAOMS.org profile. Log in to AAOMS.org to update the information at any time. Your completed form can be returned to AAOMS by email to governance@aaoms.org or fax to 847-678-6286.

Please type or print clearly.

AAOMS ID #

Member Full Name
