## Faculty Positions

### COLORADO:

The School of Dental Medicine at the University of Colorado is seeking a qualified individual to join our dynamic and innovative clinical team. The school is located on the beautiful Anschutz Medical Campus in a new state-of-the-art facility. The campus is home to schools of medicine, pharmacy, nursing, public health and dental medicine, as well as a dynamic research community. The University of Colorado School of Dental Medicine seeks a full-time faculty member at the rank of assistant/associate professor in the Department of Surgical Dentistry. Major responsibilities of this position include didactic and clinical teaching, administration and participation in multi-disciplinary faculty practice. Minimum qualifications include a DDS/DMD or DDS/DMD and MD degree(s) from an accredited US dental school, completed residency training in oral and maxillofacial surgery and ABOMS board certification or active candidacy for certification. Applicants must be eligible for Colorado licensure. Experience in an academic, hospital or government institution with an understanding of clinical operations and practice is preferred. Salary and rank are commensurate with credentials and experience. The University of Colorado offers a full benefits package. The University of Colorado is committed to diversity and equality in education and employment. We encourage applications from qualified women, ethnic minorities and veterans. Interested individuals may submit applications electronically at [www.jobsatcu.com](http://www.jobsatcu.com).

com. Refer to posting: F00911. Review will begin immediately and continue until the position is filled. Any questions may be directed to Shiela Otero @ucdenver.edu or call 303/724-2521.

### DISTRICT OF COLUMBIA:

The Department of OMS at Howard University College of Dentistry is seeking applications for a full-time tenure track or clinical track position at the assistant/associate professor level. The applicant must have a DDS/DMD recognized by the Council on Dental Education of the American Dental Association and must have successfully completed advance training in oral and maxillofacial surgery at an accredited institution. Applicants must be eligible for licensure in the District of Columbia. Applicants must be board certified by the American Board of Oral and Maxillofacial Surgery or be a candidate for board certification. Responsibilities include didactic and clinical teaching in the predoctoral and postdoctoral program with some teaching responsibility for residents of the AEGD, GPR and pediatric programs. Independent research and scholarly activity are expected and collaboration with other faculty in both research and teaching is strongly encouraged. Academic rank and salary are commensurate with experience and qualifications. Send a letter of inquiry, curriculum vitae and names of three references to Dr. Andrea Bonnick, DDS, program director, Oral and Maxillofacial Surgery Training Program, Howard University Hospital, 2041 Georgia Ave., Suite 2066,

Washington, DC 20060. Upon offer of employment, successful applicants for this position must undergo a national background check and pre-employment drug screen as required by Howard University. Howard University is an equal opportunity employer and strongly encourages applications from minorities and women.

### DISTRICT OF COLUMBIA:

Howard University Hospital College of Dentistry is actively recruiting a director of residency training in the Department of Oral and Maxillofacial Surgery at Howard University College of Dentistry. This position is at the assistant or associate professor level. Candidates

must have a DMD/DDS degree, be a diplomate of the American Board of Oral and Maxillofacial Surgery and be eligible for licensure in the District of Columbia. The college is affiliated with Howard University Hospital, one of the three Level 1 trauma centers in the diverse and metropolitan city of Washington, DC. This position offers the opportunity to develop a diverse and challenging academic oral and maxillofacial surgery curriculum, mentor residents and dental students and participate in professional collaboration and leadership development activities. Flexibility and commitment to program goals, office staff

### GEORGIA:

The Division of Oral and Maxillofacial Surgery at the Emory University School of Medicine, is seeking applicants for a full-time faculty position at the assistant or associate professor level. The applicants must have a DDS/DMD recognized by the Council on Dental Education of the American Dental Association or equivalent, and must have successfully completed advanced training in oral and maxillofacial surgery at an accredited institution. An MD is desirable as is fellowship training in oncology and microvascular surgery. Applicants must be eligible for licensure in Georgia. Applicants must be board certified by the American Board of Oral and Maxillofacial Surgery or candidates for board certification. Responsibilities will include supervision of residents at Grady Memorial Hospital, a Level I Trauma Center, and at the Emory Healthcare faculty practice.

Pursuit of scholarly activities will also be required. Salary and academic rank are to be commensurate with experience and qualifications. Please send a letter of intent, curriculum vitae, and the names of three references to: Steven Roser, DMD, MD, FACS, chief, Division of Oral and Maxillofacial Surgery, Department of Surgery, Emory University School of Medicine, 1365 Clifton Road NE, Building B, Suite 2300, Atlanta, Georgia 30322. Applications will be accepted until the position is filled. Emory University is an equal opportunity employer and encourages applications from minorities and women.

### ILLINOIS-CHICAGO:

The Department of Oral and Maxillofacial Surgery in the College of Dentistry at the University of Illinois at Chicago is seeking applications for a full-time, 12-month, tenure-track, faculty position at the rank of assistant professor or higher beginning July 1, 2015. Salary and rank will be commensurate with experience. Applicants must be board-certified/active candidates for certification and have a DDS or DMD degree from a CODA-accredited institution, preferably also an MD degree, and be eligible for licensure in Illinois. Completion of a full-scope oral and maxillofacial surgery residency program, with additional fellowship training, and advanced research experience are desirable. Responsibilities include resident and dental student training and education, participation in an intramural practice, professional service, and scholarly activity, including basic and clinical research. For full consideration, applicants

should submit a letter of intent, a current curriculum vitae, and the names of three professional references to <http://jobs.uic.edu/job-board/job-details?jobID=26920>. Inquiries regarding this position may be addressed to: Michael Miloro, DMD, MD, Search Committee chairperson, University of Illinois at Chicago, Department of Oral and Maxillofacial Surgery, College of Dentistry MC 835, 801 S. Paulina St., Chicago, IL 60612, Phone: 312/996-1052, e-mail: [mmiloro@uic.edu](mailto:mmiloro@uic.edu). The University of Illinois is an affirmative action/equal opportunity employer. The College encourages applications from minorities, women, and persons with disabilities.

### ILLINOIS:

Southern Illinois University School of Dental Medicine is seeking applications for a full-time tenure or clinical-track position at the assistant/associate professor level in the Department of Applied Dental Medicine, section of oral and maxillofacial surgery. Responsibilities include didactic and clinical teaching in the predoctoral program, with some teaching responsibilities for residents in the AEGD, periodontics and implant programs, and service to the university. For tenure-track appointments, independent research and scholarly activity are also expected. Collaboration with other faculty, both in research and teaching, is strongly encouraged. A DMD/DDS degree or equivalent, completed accredited oral and maxillofacial surgery residency, board certification or active candidate for certification are required. Previous teaching experience and/or a record of research accomplishment through publication and external funding are desirable. Applicants must be eligible for licensure in Illinois. Academic rank and salary are commensurate with experience

and qualifications. Opportunity for extramural private practice is available. SIU/SDM's suburban campus is located in the St. Louis metropolitan area. Send a letter of intent, curriculum vitae, and three letters of reference to Dr. Bruce Rotter, dean, Southern Illinois University, School of Dental Medicine, 2800 College Avenue, Alton, Illinois 62002. For further information, contact Dr. Dwight McLeod, chair, at [dmcleod@siue.edu](mailto:dmcleod@siue.edu). Review of applications will begin immediately and continue until the position is filled. SIU/SDM is an EOE/AA employer committed to diversity in education and employment. SIU/SDM is a state university – benefits under state-sponsored plans may not be available to holders of F-1 or J-1 visas.

### MASSACHUSETTS:

The Department of Oral and Maxillofacial Surgery at Massachusetts General Hospital and Harvard School of Dental Medicine is seeking an oral and maxillofacial surgeon board certified or active candidate for board certification to augment the department's clinical, educational and research programs. In addition to practicing the full-scope of oral and maxillofacial surgery, candidates must have an interest and expertise in temporomandibular joint surgery and reconstruction. The department has an active division of oral and maxillofacial pain. Academic rank and salary will be commensurate with the candidate's CV. Massachusetts General Hospital is an affirmative action/equal opportunity employer. We place a strong emphasis on the values of equality, diversity and compassion. Interested candidates should send a letter of interest, curriculum vitae and two letters of recommendation to: Leonard B. Kaban, DMD, MD, chief, Department of

Oral and Maxillofacial Surgery, Massachusetts General Hospital, 55 Fruit Street, Warren 1201, Boston, MA 02114. E-mail: lkaban@partners.org.

#### MASSACHUSETTS:

The Department of Oral and Maxillofacial Surgery at the Boston University Henry M. Goldman School of Dental Medicine and Boston University Medical Center invites applications for a full-time faculty position to augment its Oncological Surgery services. This position requires graduation in oral and maxillofacial surgery from an ADA-accredited program and formal, fellowship training in oncological and microvascular surgery. Applicants must be eligible for independent, full medical and/or dental licensure in the Commonwealth of Massachusetts and be board certified or active candidates for certification. The department has an expanded scope training program and enrolls four residents per year. Responsibilities will include resident and dental student education, scholarly activity, and participation in the intramural faculty practice. Multiple opportunities for research are readily available on campus. A competitive salary and generous benefits package, commensurate with experience and qualifications is available. Interested candidates should submit a letter of interest including career goals, curriculum vitae, and three professional reference letters to: Pushkar Mehra, DMD, chairman, Oral and Maxillofacial Surgery, 100 E. Newton Street, Suite G-407, Boston, MA 02118, or e-mail: pmehra@bu.edu. Boston University is an equal opportunity employer and encourages applications from minorities and women.

#### NEW YORK:

A full-time OMS faculty position is available immediately at the North Shore-Long Island Jewish Health System. The oral and maxillofacial surgery residency program has 16 residents, 12 in an integrated six-year MD program and four in a four-year program. Major responsibilities include resident education and training as well as faculty practice. Experience in a broad scope of oral and maxillofacial surgery is necessary. The position requires a DDS/DMD degree and formal training in oral and maxillofacial surgery from an ADA-accredited program, as well as OMS board certification. A New York dental license is necessary. Candidates are eligible for an academic appointment in the Hofstra North Shore LIJ School of Medicine. North Shore-LIJ Health System is an equal opportunity employer. Send curriculum vitae to: Ronald Burakoff, DMD, MPH, chairman, Department of Dental Medicine, 270-05 76th Avenue, New Hyde Park, NY 11040. E-mail: rburakoff@nshs.edu.

#### OHIO:

The University of Cincinnati is currently seeking an oral and maxillofacial surgeon for a full-time non-tenure track position. Responsible for clinical, research and teaching activities of oral and maxillofacial surgery residents. Patient care responsibilities include diagnosis of problems of the oral and maxillofacial regions and performing surgery for maxillofacial trauma, orthognathic surgery, TMJ disorders, dental implants, pathology of the jaws, ambulatory anesthesia and dentoalveolar surgery. Plan, direct and coordinate research activities. Participate in operating room and ward teaching, and advise, train and direct activities of surgical trainees and medical students.

Minimum qualifications: DDS or DMD; completion of a four-year CODA-accredited residency in oral and maxillofacial surgery, board certification by the American Board of Oral and Maxillofacial Surgery by time of appointment; licensure by Ohio Dental Board by time of appointment. Apply online at [www.jobsatuc.com](http://www.jobsatuc.com). Review of CVs will commence upon application. For additional information, contact Robert Marciani, MD, professor and division director, Oral and Maxillofacial Surgery, Department of Surgery, Attn: Julie Valente, University of Cincinnati College of Medicine, 231 Albert Sabin Way, P.O. Box 670558, Cincinnati, Ohio 45267-0558. The University of Cincinnati is an affirmative action/equal opportunity employer.

#### PENNSYLVANIA-PHILADELPHIA:

The Department of Oral and Maxillofacial Surgery and Pharmacology at the University of Pennsylvania School of Dental Medicine is seeking an oral and maxillofacial surgeon board certified or an active candidate for board certification as a full-time instructor. The position will be a joint recruitment by the University of Pennsylvania School of Dental Medicine and by the Philadelphia Veterans Affairs Medical Center. The successful applicant should have experience in the full-scope of oral and maxillofacial surgery. Responsibilities include provision of surgical patient care as well as an instruction and supervision of dental students and surgery residents. Applicants must have an MD and a DMD/DDS or equivalent degree. A current unrestricted MD and DMD/DDS license to practice medicine/dentistry in a state, territory or commonwealth of the United State or in the District of Columbia

is required. For further information regarding the above position, contact: Anh D. Le, DDS, PhD, professor and chair, Department of Oral and Maxillofacial Surgery, Penn Medicine, 3400 Spruce Street/5 White, Philadelphia, PA 19104 or e-mail: [jennifer.ramirez@uphs.upenn.edu](mailto:jennifer.ramirez@uphs.upenn.edu). Applicants must apply at PENN: <http://facultysearches.provost.upenn.edu/postings/224> for their application to be considered. The University of Pennsylvania and the PVAMC are equal opportunity, affirmative action employers. All qualified applicants will receive consideration for employment and will not be discriminated against on the basis of race, color, religion, sex, sexual orientation, gender identity, creed, national or ethnic origin, citizenship status, age, disability, veteran status, or any other characteristic protected by law.

#### TENNESSEE-KNOXVILLE:

The University of Tennessee Graduate School of Medicine is seeking applications for a full-time faculty position in the Department of Oral and Maxillofacial Surgery. Responsibilities include didactic education and clinical teaching of residents, patient care and research. Academic rank will be commensurate with qualifications and experience. An impressive reimbursement and benefits package exists for full-time faculty. The candidate should have an interest in major oral and maxillofacial surgery with a particular interest in cleft/craniofacial surgery and orthognathic surgery with the intention of directing clinical and research activities within these disciplines. Active participation in trauma call management will be required. The University of Tennessee Medical Center is a tertiary

Requisition #131290, Dr. James Wilson, vice chairman, Faculty Search Committee, The University of Texas Health Science Center at Houston – School of Dentistry, 7500 Cambridge St., Suite 6510, Houston, TX 77054.

### WISCONSIN-MILWAUKEE:

The Medical College of Wisconsin is seeking applications for two oral and maxillofacial surgery faculty positions at the assistant or associate /full professor levels. These positions offers integration of a vibrant OMS practice with teaching responsibilities in a well-respected, accredited residency training program. MCW is a private academic institution dedicated to leadership and excellence in accordance with superior education, research, patient care. The OMFS practice encompasses the full-scope of the specialty and is a tertiary care center serving both adult and pediatric populations. Our affiliations include Froedtert Hospital and Children's Hospital of Wisconsin, both Level 1 trauma centers and the Zablocki

Veterans Administration Hospital. Responsibilities include didactic/clinical teaching and supervision of residents in the oral and maxillofacial surgery program, providing direct patient care as part of the faculty practice, including on-call coverage, as well as, shared responsibility for staffing the VA hospital's OMFS service. Applicants must have completed advanced training in oral and maxillofacial surgery at a Commission of Dental Accreditation (CODA) accredited program. The applicant must be board certified or an active candidate for certification by the American Board of Oral and Maxillofacial Surgery and hold a current state license within the United States. Please submit a letter of intent, CV and the names of three professional references to: Steven Sewall, DDS, Oral and Maxillofacial Surgery, 840 N. 87th Street, Milwaukee, WI 53226. For additional inquiries, contact Steven Sewall, DDS at [ssewall@mcw.edu](mailto:ssewall@mcw.edu) or 414/805-5781.

## Fellowship Non-Coda Accredited

### FLORIDA:

A fellowship in cleft and craniofacial surgery is available at the Florida Craniofacial Institute. We are now taking applications for July 2016. This one-year fellowship is in a private practice environment in Tampa, Florida and the focus is congenital craniofacial anomalies. The primary goal of the practice's cleft lip/palate and craniofacial fellowship is to educate and provide additional surgical training in the management and treatment of patients with craniofacial and/or facial differences. The fellow will work in conjunction with the cleft lip/palate and

craniofacial team and will gain comprehensive experience and instruction in team-focused treatment information on the Florida Craniofacial Institute, visit [www.floridacranio.com](http://www.floridacranio.com). Please e-mail CV to [admin@flcranio.com](mailto:admin@flcranio.com).

### MARYLAND/DISTRICT OF COLUMBIA:

A one-year postgraduate fellowship in orthognathic surgery is offered to recent graduates of accredited OMS programs. The fellowship is sponsored by: Posnick Center for Facial Plastic Surgery. If accepted, the fellow will be required to obtain an active medical or dental license in the State of Maryland and the District of Columbia. A clinical appointment in the Department of Otolaryngology/Head and Neck Surgery at Georgetown University Hospital will be obtained. The philosophy of the fellowship is to enhance skills in: facial esthetic analysis; assessment of head and neck functions, including the upper airway; the patient-doctor relationship; and surgical skills. Clinical activities primarily revolve around the evaluation and treatment of dentofacial deformities, the airway, and secondary cleft lip and palate issues. Each patient is followed through their initial consultation, further evaluation, collaborative treatment, immediate preoperative workup, operation, postoperative care and long-term follow-up. The fellow will be Dr. Posnick's right-hand person, evaluating and managing the patient through all phases of care. There will be an opportunity for clinical research and publication of papers. A salary allowance is provided. Send inquiries to Jeffrey C. Posnick, DMD, MD, e-mail: [jposnick@drposnick.com](mailto:jposnick@drposnick.com) or phone: 301/986-9475.

**MISSOURI-ST. LOUIS:**

Oral and maxillofacial fellowship 2016-2017. Sponsored by: The Oral Facial Surgery Institute ([www.ofsinstitute.com](http://www.ofsinstitute.com)). Accredited by: Department of Graduate Medical Education at Mercy. ### ILLINOIS:

Seeking an OMS for opportunity as associate in general practitioner practice or to start new standalone OMS practice in already built out space. Full digital, CBCT, laser, implant motor. 40000 residents, great opportunity! Contact Dr. Kirk Poldek at 847/826-4589; e-mail: drkp77@gmail.com or poldekfamilydental.com.

### INDIANA:

Multi-office OMS practice in Indiana seeking highly motivated 2015 or 2016 graduate for associate position leading to early partnership. Practice emphasis is dentoalveolar surgery, implants, bone grafting and anesthesia. Wide open opportunity to expand into other areas such as esthetic surgery. Light trauma call. Competitive salary and benefits. Reply to AAOMS Classified Box A-4565.

### KANSAS:

Exciting opportunity for a motivated, bright, personable OMS who is board certified or an active candidate for certification to join a well-established, full-scope oral and maxillofacial surgery practice in western Kansas. We have two offices located in Hays and Garden City, Kansas. We have a loyal, broad referral base. Our area offers a great environment for raising a family. Low cost of living, low taxes, minimal commute time, favorable case mix, mild winters, and a busy practice make this a great opportunity. We have been serving the people of western Kansas for over 45 years. An excellent salary and incentive package makes this a unique opportunity for the right OMS looking for early partnership. More information can be found at www.kansasoms.com. Send CV to amyhuxman@hotmail.com.

**KENTUCKY:**

Bluegrass area of Kentucky. Established practice with strong patient flow and great income from day one. Robust CE budget, company paid malpractice, ownership opportunity within a year. We have an amazing unified team. Come see what make this a golden opportunity. Contact Nick Cease at 502/254-8514; or e-mail: [ncease@mfdc.net](mailto:ncease@mfdc.net).

### OKLAHOMA:

Outstanding opportunity to buy a portion of an established two doctor OMS practice in Edmond, a desirable part of the Oklahoma City area. Beautiful 5,700 sq. ft. office 12-years old, practice over 20-years old. Staff is very skilled and cohesive. Transition plan in place and terms are flexible. Excellent growth potential. Reply to AAOMS Classified Box S-2283.

### OREGON:

Wonderful OMS practice for sale in western Oregon's beautiful Willamette Valley. Very nice, spacious office in an excellent location with plenty of off-street parking. For additional information contact Randy Harrison at [RandyH@practicesales.com](mailto:RandyH@practicesales.com)

### TEXAS:

Oral surgeon retiring. Flexible transition. Seller phase out; work for purchaser PRN. Ideal for retired military (local base). 3 Million+ collected past three years; room for two surgeons. Mid-sized community. All confidential. Gary Clinton, oral surgery appraiser at 800/583-7765.

### VIRGINIA:

Excellent opportunity in the northern part of Virginia for an oral surgeon to take over a great practice. The owner is ready to transition the practice in a timely manner. Contact McNor Group at 410/321-4444 or [john.w@mcnorgroup.com](mailto:john.w@mcnorgroup.com).

## Practice Transitions

### OMS EXCLUSIVELY-ASSOCIATES, PARTNERSHIPS, PRACTICE SALES, RETIREMENT TRANSITION:

Leader since 2004 in the recruitment of oral surgeons nationwide. We understand oral surgery, this is our specialty. Time to sell, transition into retirement, add associate/partner? We work with all residents, confidential surgeons and military. Practice sales/retirement transitions-We are not practice brokers, do not charge 10%, do not sign exclusive agreements, no risk. We have buyers/associates, tremendous success! You have seen us at AAOMS/40 years' experience. Web page/National OMS Job Board-[www.OMS-Exclusively.com](http://www.OMS-Exclusively.com), Marla: [marlaspriggs@oms-exclusively.com](mailto:marlaspriggs@oms-exclusively.com), call: 866/241-9003 (married to OMS).
