Booth Selection Procedures and Priority Point Assignment

An exhibiting company’s Priority Point ranking is kept strictly confidential between AAOMS and the company.

The point assignment procedure is as follows:

- One point is earned for each 10’x10’ space occupied at the Annual Meeting.
- One point is earned for each 8’x10’ space occupied at the Dental Implant Conference.
- Points are awarded for corporate support contributions, royalties to AAOMS/ROAAOMS and advertising in select AAOMS publications and are based on dollar amount contributed.
- The AAOMS Board of Trustees shall be the final arbiter of all ties or disputes related to the point system.
- For the 2021 AAOMS Annual Meeting and Dental Implant Conference, points are tabulated from 2013 through 2019. Contributions/activities prior to Jan. 1, 2013, will not be taken into consideration. Points more than 7 years old will be dropped from the calculation.
- Only corporate support contributions are counted. Gifts from individuals cannot be counted.
- **Loyalty points:** Any exhibitor that has exhibited at the AAOMS Annual Meeting for five consecutive years will earn five points each year the exhibiting company continues to exhibit with AAOMS. If there is a lapse in exhibiting, no points will be awarded until another five years of consecutive exhibiting has occurred at the Annual Meeting.

Example: Company A exhibited in 2016, 2017, 2018, 2019 and 2020. Company A will receive:

- Five points for exhibiting in 2016
- Five points for exhibiting in 2017
- Five points for exhibiting in 2018
- Five points for exhibiting in 2019
- Five points for exhibiting in 2020

If Company A exhibits in 2021, it will earn an additional five points. However, if Company A does not exhibit in 2022, it will not continue to earn loyalty points until again exhibiting with AAOMS for five consecutive years.

- In the event of a company merger/acquisition, the higher point total of the two merging companies will be recognized. Merging companies may not combine their Priority Points to achieve a higher ranking. For example, if Company A (with 200 Priority Points) merges with Company B (with 100 Priority Points), the newly merged company will have 200 Priority Points – the greater of the two totals. This procedure permits the company with the highest point total to retain its priority ranking. The AAOMS exhibition manager must be notified in writing for the acquiring company to assume the higher point total.
